Lay a garland

Pearsall

Let's do it
Blue moon
I got rhythm

Cole Porter
Rodgers
Gershwin

THE HILLS SINGERS

The Hills Singers have been singing together for 22 years. The choir has a membership of 25 singers and is based in Malvern. They enjoy singing a varied repertoire which spans a period from the 16th century to present day and generally sing unaccompanied. This evening's programme comprises a broad range of music and includes well-loved and popular songs as well as lesser known works.

Musical Director, Carol Green, has conducted choirs throughout her career and, in addition to the Hills Singers, currently directs the Malvern Sing For Pleasure Choir and Worcester Young Voices. Carol has devoted much of her professional life to promoting singing in all age groups and was awarded a Churchill Fellowship in 2005 in recognition of her singing work in education, enabling her to travel to Hungary and Canada to study best practice in class and in choir. She now teaches locally and works as an examiner, advisory teacher and vocal animateur.

The Hills Singers are available to perform in concerts, at weddings or for charitable causes. For further information, please telephone **Carol Green** on **01684 577033** or visit
