**AMNESTY
INTERNATIONAL**

The Malvern Hills Group is one of almost 300 local groups of Amnesty International that operate in the UK and contribute to Amnesty International's work to defend human rights around the world.

Their aims are to raise awareness about human rights in the Malvern Hills area and to raise money for Amnesty's campaigns. They do this by organising events, direct fundraising and letter-writing to and on behalf of prisoners of conscience and others whose cases have been highlighted by Amnesty International.

The Malvern Hills Group holds a monthly meeting to discuss campaigns, events and fundraising.

The Hills Singers have been together for over 20 years. The choir has a membership of 25 voices and is based in Malvern. They enjoy performing a varied repertoire which spans a period from the 16th century to present day and often sing unaccompanied. This evening's programme comprises a broad range of music and includes both well-loved classics and popular songs.

Musical Director Carol Green has conducted choirs through most of her career and, in addition to The Hills Singers, currently conducts Worcester Young Voices, comprising three choirs of 5-16 year olds. She has recently become an examiner for the Associated Board of the Royal School of Music (ABRSM). Carol sings in the international touring choir Sine Nomine and locally in the vocal octet Serenata.

The Hills Singers are available to perform in concerts, at weddings or for charitable causes. For further information, or if you are interested in joining the choir, please telephone **Carol Green** on **01684 577033**.
